# Master Resell Rights License Agreement

---

This License Agreement ("License") governs your use and resale of the digital product "**Anxiety Relief: Complete Guide, Workbook & Bonus Pack**", including its Guide, Workbook, Bonus Pack, audio tracks, and Notion Tracker (collectively, the "Product"), created by Vinyan Studio ("Licensor"). By purchasing the Bundle + Resell Rights tier, you ("Licensee") agree to the terms below.

## 1. Grant of Rights

Subject to the terms of this License, Licensor grants Licensee a non-exclusive, non-transferable (except as stated in Section 2) license to:

- Resell the Product, as-is, to end customers through your own sales channels (website, marketplace listing, email list, etc.).
- Keep 100% of the proceeds from your resales.
- Include the Product as part of a larger bundle you sell, provided the Product itself is not substantially altered (see Section 3).

## 2. Master Resell Rights — Passing This License On

Because this is a **Master** Resell Rights license, Licensee may also grant their own customers the right to resell the Product under the same terms as this License, provided:

- This License Agreement (or a copy of it) is passed along in full to any customer who receives resell rights.
- No sub-licensee is granted broader rights than Licensee holds under this License.

## 3. Restrictions

Licensee may NOT:

- Claim authorship of the Product, or represent themselves as the original creator.
- Modify, rebrand, edit, or create derivative works from the Product's written or recorded content (this License does not include Private Label Rights).
- Distribute the Product for free, including as a lead magnet, giveaway, or bonus with no attached price.
- Upload the Product to free content sites, torrent networks, or public file-sharing platforms.
- Claim copyright ownership of the underlying content. Vinyan Studio retains full copyright of all original text, design, and audio.
- Use the Vinyan Studio brand name, logo, or "Mind & Calm Series" branding in a way that implies official endorsement of Licensee's business.

## 4. What's Included in This License

- Anxiety Relief: Complete Guide (PDF)
- Anxiety Relief Workbook (PDF)
- Anxiety Relief Bonus Pack (PDF)
- 2 Guided Audio tracks (MP3)
- Notion Tracker (duplicable Notion workspace link)
- This License Agreement, to pass along to your own resale customers

## 5. No Warranty

The Product is provided "as-is," without warranty of any kind, express or implied. Licensor is not responsible for how Licensee markets, sells, or represents the Product to their own customers. This Product is educational and self-help material; Licensee is responsible for ensuring their own marketing does not misrepresent it as professional medical or mental health treatment.

## 6. Termination

Licensor may terminate this License if Licensee materially breaches its terms, including any of the restrictions in Section 3. Upon termination, Licensee must cease all further distribution and resale of the Product.

## 7. General

This License does not constitute a partnership, joint venture, or employment relationship between Licensee and Licensor. This document is a standard-form commercial license and is not legal advice; if you require legal review specific to your jurisdiction or business structure, consult a qualified attorney.
